MULTI FUNCTIONAL!

Versatile outdoor kitchen

- Large cooking surface
- Direct and indirect grilling
- Making pizzas
- Oven function
- Make stew and prepare vegetables
- Can be expanded with plancha, wok, rotisserie

Fireplace for warmth and atmosphere

MATERIAL VERSION

- BLACK: *The Black is made of stainless steel and has a heat-resistant powder coating.*
- COR-TEN®: *CORTEN is also called weathering steel. An oxide layer forms in such a way that the underlying material is protected. CORTEN steel gives a warm and natural look to outdoor products.*

Both variants have a stainless steel interior. This is resistant to high temperatures, hygienic and maintenance-free
